Publications

**Conference Proceedings**

**Presentations**

Thompson, D. R., High-resolution wind mapping with synthetic aperture radar, Invited seminar at the Institute for Coastal Processes, Research Center Geesthacht, Geesthacht, Germany, 23 May 2001.

Thompson, D. R., Use of SAR imagery with QUIKSCAT wind directions for coastal wind mapping, Invited seminar at Oceanography Institute, University of Hamburg, Hamburg, Germany, 29 May 2001.

Thompson, D. R., Probing the ocean with microwave radar: Remote sensing and perception, Invited presentation at retirement symposium for Werner Alpers, University of Hamburg, Hamburg Germany, 27 September 2001.

Publications

**Conference Proceedings**

Presentations

Babin, S.M., Remote sensing in coastal and marine meteorology, Maryland Space Grant Consortium seminar, Johns Hopkins University, 18 July 2000.

Elfouhaily T.M., PO versus GO models, GPS workshop during the Sixth International Conference on Remote Sensing for Marine and Coastal Environments, Charleston, South Carolina, 1-3 May 2000.

Raney, R. K., Ramifications of Doppler-processing radar altimeters, IEEE Section and Graduate Seminar (Invited), Department of Geography, University of Maryland, 19 October 2000.

Raney, R. K., Advanced radar altimetry and the concerns of NOAA, Briefing to the Associate Administrator, NOAA/NESDIS Headquarters, Silver Spring MD, 22 December 2000.

Publications

**Conference Proceedings**

**Presentations**

Donohue, D.J., H.-C. Ku and D.R. Thompson, Polarization-dependent radar backscatter calculations from cresting ocean waves, *National Radio Science Meeting (URSI)*, University of Colorado Boulder, CO, 4-8 January 1999.

Thompson, D. R., Extracting geophysical parameters from synthetic aperture radar, Invited seminar at Johns Hopkins University, Center for Environmental and Applied Fluid Mechanics, 23 April 1999.

Thompson, D. R., Bistatic scattering from the ocean, ONR Scattering Workshop, NRL, 27 September 1999.
Publications

Conference Proceedings

Presentations

Thompson, D. R. and D. L. Porter, RADARSAT imagery of internal waves during the Coastal Mixing and Optics Experiment, AGU Ocean Sciences Meeting, San Diego, CA, 8-13 February 1998.

Thompson, D. R., Computation of microwave Doppler spectra from the ocean, ONR Scattering Workshop, NRL 29 October, 1998.

Thompson, D. R., Extraction of high-resolution wind maps from synthetic aperture radar, Invited colloquium at Meteorology Department, Penn State University, 12 November, 1998.

**Publications**

**Conference Proceedings**

Beal, R. C., Ocean wind, waves, and current fronts from RADARSAT: Some calibration issues, *Proceedings of the Workshop on RADARSAT Data Quality (Section E-6)*, Committee on Earth Observation Satellites (CEOS), SAR Calibration Subgroup, St-Hubert, Quebec, Canada, 4-6 February 1997.

Raney, R. K., The SAR C-Files, from coherence to confusion with candor, Plenary Address, *Proceedings of the Workshop on RADARSAT Data Quality (Section E-1)*, Committee on Earth Observation Satellites (CEOS), SAR Calibration Subgroup, St-Hubert, Quebec, Canada, 4-6 February 1997.

Thompson, D. R. and D. L. Porter, RADARSAT imagery collected during the ONR Coastal Mixing and Optics Experiment, *Proceedings of the Workshop on RADARSAT Data Quality (Section E-6)*, Committee on Earth Observation Satellites (CEOS), SAR Calibration Subgroup, St-Hubert, Quebec, Canada, 4-6 February 1997.

**Presentations**

Gotwols, B. L., R. D. Chapman, and D. R. Thompson, Radar backscatter from the ocean: From mid incidence to near grazing, *URSI Commission F Meeting*, Montreal, Canada, 14 July 1997.

Thompson, D. R., Ocean surface current measurements with interferometric synthetic aperture radar, Invited seminar at NOAA/NESDIS, Silver Spring, MD, 17 March 1997.
Publications

Conference Proceedings

**Presentations**

Beal, R. C., Atmospheric and ocean signatures in SAR imagery, Canadian Space Agency, Montreal, 5 September 1996.

Gotwols, B. L., D. R. Thompson, and R. D. Chapman, The JHU/APL model of the complex field backscattered from the ocean, Invited talk at *National Radio Science Meeting*, University of Colorado, Boulder, CO, 11 January 1996.

Thompson, D. R., Physics of microwave scattering from the ocean surface, Department of Meteorology, The Pennsylvania State University, State College, PA, 19 October 1996.

Publications

**Conference Proceedings**

**Presentations**

Thompson, D. R., Variation of microwave backscattered power from the ocean surface as inferred from velocity- and slope-based modulation transfer functions, Invited talk, Progress in Electromagnetic Research Symposium, University of Washington, Seattle, WA, 24-28 July 1995.

Thompson, D. R., Recent advances in microwave ocean remote sensing: Overview of the ONR High-Resolution Remote Sensing Experiment, Invited talk, General Assembly of the International Association for the Physical Sciences of the Oceans, Honolulu, HA, 5-12 August 1995.
